We Believe

- The Scriptures are inspired by God and declare His design and plan for mankind.
- There is only One True God – revealed in three persons: Father, Son, and Holy Spirit (commonly known as the Trinity).
- In the Deity of the Lord Jesus Christ. As God’s son, Jesus was both human and divine.
- Though originally good, man willingly fell to sin – ushering evil and death, both physical and spiritual, into the world.
- Every person can have restored fellowship with God through salvation (accepting Christ’s offer of forgiveness for sin).
- The Church has a Mission to seek and save all who are lost in sin. We believe ‘the church’ is the Body of Christ and consists of the people who, throughout time, have accepted God’s offer of redemption (regardless of religious denomination) through the sacrificial death of His Son, Jesus Christ.
- The biblical definition of marriage is between one man and one woman.
